"The team at WPBoost are absolutely amazing. Within hours of signing up they cleaned up our hacked site, deleted thousands of spam comments, and fixed our contact form!"

Joe Blow

Important Business Dude - Evil Corp.

What makes the WP Spark the best choice?

Our Team

Our experienced team has booked thousands of hours building and maintaining Wordpress sites, themes, and plugins. We know Wordpress inside and out.

No Limits

You have unlimited access to an entire team of experienced WP developers for one price. Save time and money.

Response Time

Most fixes are completed within 24 hours and no request is too small. No more bothering your web guy with small stuff.

How it works

Discovery

We perform a 20 point technical audit, make backups, update Wordpress themes, plugins, repair any hacks.

Protection

We monitor your site 24/7 and proactively apply updates and fixes. Secure cloud backups daily.

Improvement

Whenever you need help with your site, we are here. Most fixes complete in 24 hrs or less.
